

In the original article by Chen et al., entitled “CT and clinical features for distinguishing endophytic clear cell renal cell carcinoma from urothelial carcinoma” (Diagn Interv Radiol 2022;28(5):410–417. DOI 10.5152/dir.2022.211248) that was published in the September 2022 issue of Diagnostic and Interventional Radiology, the second affiliation of Xin Chen was not added and names of Fuling Huang, Cheng Tang, Liling Long was misspelled. The errors have since been implemented in the online version of this article:
